

Amendment 394 Contract No. 229944

To the Contract for the Design, Implementation, Operation and Maintenance of the Regional Fare Coordination System

This Amendment 394 to the Contract for the Design, Implementation, Operation and Maintenance of the Regional Fare Coordination System is entered into this 23rd day of FEBRUARY, 2017, by and between Vix technology (USA) Inc. (formerly known as ERG Transit Systems (USA) Inc), a California corporation and wholly owned subsidiary of Vix Mobility Pty Ltd, an Australian corporation, (hereinafter referred to as the "Contractor") and each of the following seven public transportation agencies (hereinafter referred to individually as an "Agency" or collectively as the "Agencies"):

1. Central Puget Sound Regional Transit Authority ("Sound Transit")
2. King County ("King County")
3. Kitsap County Public Transportation Benefit Area ("Kitsap Transit")
4. Pierce County Public Transportation Benefit Area ("Pierce Transit")
5. Snohomish County Public Transportation Benefit Area ("Community Transit")
6. City of Everett ("Everett")
7. State of Washington, acting through the Washington State Department of Transportation, Washington State Ferries Division ("WSF")

Recitals

- A. Effective April 29, 2003, each of the Agencies and the Contractor entered into Contract #229944 ("Contract") to implement a Regional Fare Coordination System ("RFC System") to establish a common fare system utilizing smart card technology. The Contractor is responsible for the development, implementation, operation and maintenance of the RFC System as specified in the Contract.
- B. The Agencies and the Contractor desire to amend Exhibit 9, Price Schedule, Section II Equipment Prices, Section IV, Equipment Installation and/or Commissioning, Section VII, Training, Section VIII Maintenance Service Contract, Section IX Customer Service, Section X Institutional Programs, Section XI Card Procurement and Distribution, Section XII Fare Card Management, Section XIII Clearinghouse Services, Section XIV Financial Management, Section XV Network Management, Section XVI Revalue Network Support Services and Section XVII Project Staff Positions and Hourly Rates. This amendment is per Contract Section 3.1-76.4.2 and will replace each referenced price table with the 2017 prices.

Agreement

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the sufficiency of which is hereby acknowledged, the Parties hereby agree to amend the Contract as follows:

Section 1.0 Description of Changes

- 1.1 Consistent with Contract Section 3.1-76.4.2, the Contractor and the Agencies agree on the equipment prices effective for 2017. Contract No 229944, Exhibit 9 Section II Equipment Prices is hereby replaced in its entirety with the below tables:

The Transaction Fee is a variable rate for the number of transactions performed each month. This fee only includes the variable costs that are incurred in addition to the Fixed Monthly Fee.

There are two types of transaction fees, 1) General, and 2) 3rd Party Revalue. The "General Transactions" consists of E-Purse, Pass and Multi-Ride Payment and Revalue transactions and the fee shall be determined according to the total number of transactions generated by the Agencies' transit application (which may include transactions generated by non-Agency card acceptors) processed in a month and shall be applied to each such transaction. The "3rd Party Revalue Transaction Fees" shall be those revalue transactions performed only through 3rd party retailers.

The transaction quantities listed below are for all transactions generated by the Agencies' transit application, which may include transactions generated by non-Agency card acceptors.

1.13 Contract No. 229944, Exhibit 9 Section XVII Project Staff Positions and Hourly Rates, is hereby replaced in its entirety with the below table:

XVII. PROJECT STAFF POSITIONS AND HOURLY RATES

Work undertaken by the following positions may be the subject of compensation on an hourly basis as provided under: Section 3.1-31.3(b) (Change Request in excess of the allowance); Section 3.1-31.4.2 (Directive Change Orders); 3.1-31.5.2 and 3.1-31.5.3 (Agreed Change Orders); Section 3.1-53 (Pre-acceptance Deficiencies in Equipment Provided Before Full System Acceptance); Section 3.1-58.3 (Warranty Maintenance); Exhibit 14, Section 4.2 (Post Warranty Depot Maintenance); and Exhibit 15, Section 6.2 (Post Warranty On-site Maintenance). No compensation will be paid for any hours expended by persons in positions not listed in the Table in this section. To the extent the Contractor is entitled to such hours-based compensation, the hourly rates listed in the Table in this section shall apply. These rates are "fully loaded" and include but are not limited to all direct and indirect compensation, benefits, overhead and profit. No overhead or other markup shall be applied in calculating amounts due the Contractor other than the ten percent (10%) mark-up expressly allowed for project management, contract administration, accounting, scheduling, and other administrative activities under Section 3.1-31.4.2 (Directive Change Order), Section 3.1-31.5.2 (Agreed Change Order for Step Two analysis) and Section 3.1-31.5.3 (Agreed Change Order). The Contractor shall not be entitled to any other form of compensation for hours expended by any person in any position on project management, contract administration, accounting, scheduling, and other administrative activities, including but not limited to any hours expended by the Contractor's Operations Manager, Contract Manager, Project Accountant, Project Scheduler, and Purchasing Clerk/Administrative Assistant.
